Department of Education

The Child Development Programme

CONTACT US FOR YOUR CHILD'S DEVELOPMENTAL SCREENING!

The Child Development Programme (CDP) offers a free developmental screening to all children between 18 and 48 months of age. The purpose of a developmental screening is to determine if a child is meeting their developmental milestones in the following areas: behaviour, communication, learning, movement, and play.

An Early Childhood Screening Specialist will be assigned to your family and will conduct the screening using a standardized tool. You will be asked questions about your child's developmental skills and your experience as a parent. The screening can take place at your home, child's nursery/daycare, or at CDP.

Please fill out the information below and return the form to CDP via mail,

E-mail cdpinfo@gov.bm , or hand-deliver at 30 Victoria Street, City of Hamilton, HM 12.

You can also contact us by calling 478-3333.
